15 St Michael's Hill, Clyst Honiton, Exeter, EX5 2NB

Date of birth: 3rd January 1989

Professional Summary

- I have over 19 years' experience working as a banker mason for a Minsterstone, in the southwest that specialize in architectural and precast stones, and Medusa Stonemasonry. My role as a mason has allowed me to gain a vast amount of experience on all aspects of masonry this includes carving, letter carving also going onto sites to complete such things as fitting, repairing, cleaning, silicone joints and pointing, put insulation on the back of precast stones. As well as my experience gained within my current job role, I have also completed level 3 NVQ and Diploma course in banker masonry, whilst completing this course I also completed a course on drawn and caved letters which has enabled me to carve such things as house signs and memorials. completed a course in leadership for front line and management in which I learnt how to talk to people correctly when giving directions and instruction. Been a supervisor of a small team in the factory for 5 years. Oversaw all day-to-day site operations. Managed site instructions, daily diary, record sheets and other forms of site reporting. Manages high-volume workloads with self-motivated and upbeat attitude. Loyal employee with solid understanding of training and mentoring employees. Dedicated team player, proactive and hands-on in task completion.

Hobbies

In my free time I enjoy playing a variety of sport, my two main sports are football and cricket where I have been fortunate enough to play for several local teams. I also enjoy running and cycling, last year I participated in several events for both activities completing the London marathon which I ran on behalf of a charity.
